

Helping Kids with
Physical Disabilities
Succeed

[Date]

Dear Parents and Guardians,

Re.: National AccessAbility Week and Red Shirt Day™

We are excited to announce that our school will be participating in National AccessAbility Week and Red Shirt Day™ of Action for AccessAbility and Inclusion this year, and we wanted to provide some information to help you and your child get involved.

National AccessAbility Week is an annual event that celebrates the valuable contributions and leadership of Canadians with disabilities, and highlights the ongoing work being done to create a more accessible and inclusive society. Red Shirt Day™ is a day of action within National AccessAbility Week, when people across Canada come together to wear red and show their support for people with disabilities.

We are asking our students to participate in Red Shirt Day™ by wearing red on Wednesday, May 29 and sharing their photos on social media with the hashtags #RedShirtDay and #RedForAccessAbility, and tagging @EasterSealsON. We are also encouraging our students to take a pledge to promote accessibility and inclusion in their school and community, and to make a difference in the lives of people with disabilities.

We believe that it is important to teach our students about accessibility and inclusion, and to encourage them to be advocates for people of all abilities. By participating in National AccessAbility Week and Red Shirt Day™, our school is joining a larger movement to create a more inclusive and accessible society, and we hope that you and your child will join us in this effort.

We encourage you to talk to your child about National AccessAbility Week and Red Shirt Day™, and to encourage them to participate in school activities and events that promote accessibility and inclusion. We also invite you to share your own experiences and ideas for how we can make our school and community more accessible and inclusive.

Thank you for your support in creating a more inclusive and accessible world.

Sincerely,

[Name, Title]
